"I am grateful to my colleagues and members of the Board, past and present, for their support, fellowship and guidance during my tenure as CEO, and I will continue to rely on that support in my new role. We have achieved many successes and weathered many challenges over the years. Through it all we have maintained our strong corporate culture, our commitment to the people and communities we serve, and our focus on delivering value for our shareholders.

"As we look ahead, we are focused on executing our Glass & Steel™ and First-to-Fiber strategy, generating higher returns on our extensive investments by growing our customer base, and enhancing operating and capital efficiency," said Prior. "With his focus on execution and operational efficiency, I believe that Brad is the ideal person to lead this next phase of growth for ATN. He has demonstrated his capabilities and market knowledge over the past five years as our Chief Operating Officer. I am excited to see Brad take this next step in leading ATN, and I look forward to working closely with him and our global team."

"Michael is a visionary leader who has been instrumental in advancing our mission to digitally empower people and communities to connect with the world and prosper," said lead independent director, Dr. Bernard Bulkin. "In his 18 years as President and CEO, Michael has transformed ATN through strategic acquisitions and investments to its present operating footprint spread across markets in North America and the Caribbean region. He has done this while maintaining a balanced capital allocation approach, which included returning \$289 million to shareholders in the form of dividends and share repurchases. As Executive Chairman, Michael will remain actively involved, continuing his leadership of the Board and guiding the overall direction of ATN, with a particular focus on strategic opportunities that create value for our shareholders. Together with Michael, we look forward to working with Brad as he advances ATN's growth strategy and accelerates operational improvements."

Mr. Martin said, "I'm excited to lead ATN during a period of tremendous opportunity for the Company. I look forward to working closely with our experienced and talented team, including our incoming CFO, Carlos Doglioli. With the support of Michael and the entire board, we will focus on advancing ATN's mission and building upon our strong track record of revenue and subscriber growth, increasing free cash flow and driving long-term shareholder value."

Mr. Prior said, "Since joining ATN in 2006, Justin Benincasa has been an outstanding Chief Financial Officer and an essential partner for me and the entire ATN team. He has built a top-quality finance and accounting team, strengthened ATN's processes and controls, provided the tools and insight for our operating teams to execute at a high level, and supported our strong relationships with the investment community, as well as peers and partners in the telecommunications industry. I wish him the very best as he embarks on retirement. At the same time, I am excited to welcome Carlos Doglioli to ATN. He brings significant telecommunications experience, deep knowledge of international markets, and a strong track record of financial and operational leadership."
