

Atlantic Tele-Network, Inc. Improves Network Coverage for Alltel Wireless Customers

BEVERLY, Mass.--(BUSINESS WIRE)-- Atlantic Tele-Network, Inc. (NASDAQ: ATNI) announced today the activation of new digital cell sites across the Alltel Wireless footprint, as part of the company's ongoing commitment to enhance network quality for voice and high speed data services. In order to meet the growing needs of customers in 2011 and beyond, Alltel Wireless has activated 17 new cell sites, significantly improving call quality nationwide.

Alltel Wireless provides "The Best Value Unlimited Plans", providing the most affordable and flexible options for customers who love to talk and need to remain connected. Alltel's exclusive "My Circle" feature allows unlimited calling to and from any 5, 15 or 25 numbers on any network and includes unlimited text to "My Circle" contacts on select plans. Alltel's "Free Fridays" feature means all Friday calls are free to numbers on select plans. These innovative features and continued network improvement and expansion reaffirm Alltel's pledge to provide enhanced service and a superior customer experience.
